RESOLUTION NO. _____

RESOLUTION APPROVING A SIGNIFICANT MODIFICATION TO BUILDING BETTER COMMUNITIES GENERAL OBLIGATION BOND PROGRAM PROJECT NO. 232 – “FUTURE MULTI-USE FACILITIES” IN APPENDIX A TO RESOLUTION NO. R-917-04, AFTER A PUBLIC HEARING, TO REMOVE SPECIFICATION THAT PROJECT FUNDS CAN ONLY BE USED FOR MULTI-USE FACILITY PROVIDING COUNTY SERVICES; APPROVING AN ALLOCATION OF \$2,600,000.00 FROM PROJECT NO. 232 FOR DEVELOPMENT OF A MULTI-USE FACILITY TO BE LOCATED IN DISTRICT 3; AND DIRECTING COUNTY MAYOR OR MAYOR’S DESIGNEE TO IDENTIFY AND NEGOTIATE FOR PURCHASE OF SUCH MULTI-USE FACILITY

WHEREAS, pursuant to Resolution No. R-917-04 (the “Outreach Facilities Resolution”), the voters approved the issuance of general obligation bonds in a principal amount not to exceed \$255,070,000.00 to construct and improve public service outreach facilities to meet code and service requirements and to increase neighborhood and community access to services; and

WHEREAS, Appendix A to the Outreach Facilities Resolution lists projects eligible for funding from the Building Better Communities General Obligation Bond Program (the “Bond Program”) by project number, municipal project location, Commission district, project name, project description, street address and allocation; and

WHEREAS, one of the projects listed in Appendix A to the Outreach Facilities Resolution and approved by the voters for funding is Project No. 232 – “Future Multi-Use Facilities” (“Project No. 232”) with an original allocation of \$39,000,000.00 and the following project description: “Acquire or construct various multi-use County government facilities in order to bring County services closer to local communities;” and

WHEREAS, among the services desperately needed by local communities in Miami-Dade County, are social services such as victim assistance services, food services, and services to the elderly and disabled; and

WHEREAS, additionally, County residents, especially many of those residing within communities in Districts 2 and 3, are in need of social services tailored specifically towards the Haitian community, including those relating to adult education and literacy, immigration assistance, health services, and family services; and

WHEREAS, many of these services can be provided by the County's Community Action and Human Services Department ("CASD"), but other social services, namely those related to particularly Haitian issues, can be better provided by established, local, non-for-profit corporations that have the knowledge and wherewithal to service this community; and

WHEREAS, it would be in the best interest of the County to be able to fund the acquisition and/or development of a multi-use facility from where the various aforementioned social services would be provided by both CASD and one or more local not-for-profit corporations; and

WHEREAS, FANM AYISYEN NAN MIYAMI, INC. ("FANM") is one such not-for-profit that has been providing social services to Haitian immigrants, families and residents in Miami-Dade County for over 20 years and which could continue to provide these services from a new multi-use facility in District 3; and

WHEREAS, therefore, this Board desires to approve a significant modification to Project No. 232 to modify the project description to remove the specification that the services must be provided by the County, so that the new Project No. 232 description would now read as follows: "Acquire or construct various multi-use County government facilities in order to bring services closer to local communities;" and

WHEREAS, the significant modification would allow services to be provided by non-County entities from any multi-use, County government facility acquired or constructed with Project No. 232 funds; and

WHEREAS, to date, the following amounts have been allocated to multi-use facilities from Project No. 232: \$18,552,000.00 for the acquisition of the Lightspeed Building; \$5,800,000 for the acquisition of the Victims Assistance Center; and \$8,610,000.00 for the development of a West Dade Government Center; and

WHEREAS, the unallocated balance of Project No. 232 is therefore \$6,038,000.00; and

WHEREAS, CASD desires to acquire and/or develop a multi-use facility in District 3 from where it will provide domestic violence and human trafficking victim assistance services, food services, and services to the elderly and disabled, and from where FANM can provide social services to Haitian immigrants, families and residents, including but not limited to adult education and literacy, immigration assistance, health services, and family services ("Project"); and

WHEREAS, this Board desires to approve an allocation from Project No. 232 in the amount of \$2,600,000.00 in order to fund the development of the Project and to direct the County Mayor or Mayor's designee to identify and negotiate for the purchase and/or development of a multi-use facility in District 3 for the Project, subject to approval by this Board of any such acquisition,

Section 3. This Board hereby finds that the Project is a multi-use government facility that will provide services to the local community, and approves an allocation from Project No. 232 in the amount of \$2,600,000.00 in order to fund the development of the Project in District 3.

Section 4. This Board directs the County Mayor or Mayor's designee to identify and negotiate for the purchase and/or development of a multi-use facility in District 3 for the Project, subject to the prior approval by this Board of any such acquisition and/or development.
